**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Like many others, I found that paying about \$200 per month to Comcast was excessive. I am retired and on a fixed income. So I cut the cable, and switched to Sonic internet and land line phone service. Not only is the service exemplary and uninterrupted, but a real person answers the phone and helps if I have any questions (which haven't been many).

I have an Apple TV and with Amazon Prime, Netflix, and CBS All Access, I have all the television I need.

I am very happy with Sonic and their service. My monthly bill is about 1/4 to 1/3 of Comcast's. And they are very responsive. I need this service to stay connected with my business (website maintenance for a local church) and family and friends.

Thank you,

Sally Doolittle
